

Notice of Public Comment

The Alaska Housing Finance Corporation (AHFC) is soliciting comments to the draft allocation plan for the GOAL Program, referred to as the Rating Criteria and Award Plan (QAP). Any changes will become effective during the FY 2023 GOAL Cycle. The QAP currently covers the allocation of four funding sources, the Low Income Housing Tax Credit, the HOME Investment Partnership Act, the National Housing Trust Fund, and the Senior Citizens Housing Development Fund. GOAL Program funding is designed to provide affordable housing for lower income households, seniors and special needs populations.

After the June 29, 2022 AHFC Board meeting concludes, AHFC anticipates starting the annual GOAL round.

Comments are due by 5:00 p.m. June 3rd, 2022.

To access a copy of the Draft QAP, Summary of Changes, and responses to the first round of public comments, please go to AHFC's website at: <https://www.ahfc.us/pros/homelessness/development-grants/goal>

Comments must be submitted via e-mail to Andy Petroni at apetroni@ahfc.us no later than 5:00 p.m. Alaska time on June 3rd, 2022.
