Notes:

Based on the quarterly Survey of Lenders' Activity, a survey of private and public mortgage lenders.

Some of the increased lending activity in the 2nd quarter of 2012 may be attributed to the inclusion of a new lender to the survey sample.

An additional small volume lender was added in 1Q2017

Refinanced mortgages are excluded from this data series. Historical series revised 2nd quarter of 1999 to exclude refinances from Fannie Mae and AHFC
Fannie Mae data excluding refinances were not available for the 1st, 2nd & 3rd quarters of 1992 and the 1st quarter of 1993.

Beginning 4th quarter 2008, an adjustment is made to reduce double counting of loans reported by both primary and secondary lenders.

Comparisons with earlier quarters will under- or over-state differences in activity.

Notes:

Based on the quarterly Alaska Housing Unit Survey, a survey of local governments and housing agencies. Current data supersedes previous figures reported.

"NR" denotes communities that did not respond to the survey.

*Single-family includes attached units.

**Multi-family includes properties with two or more dwellings.

***As of January 2007, Fairbanks and North Pole city data are reported independent from the rest of the Fairbanks North Star Borough. Data for the Balance of FNSB, representing 97.6% of the Borough's land area, are reported annually in the fourth quarter.

****All of the new housing units in the "Balance of Borough" for Mat-Su Borough (except for the cities of Wasilla and Palmer) are reported annually in the fourth quarter, which overstates the fourth quarter total. This means that quarter-to-quarter comparisons are not possible (ex., 3Qtr 2002 to 4Qtr 2002); however, it is possible to make year-to-year comparisons (ex., 4Qtr 2001 to 4Qtr 2002).
