

WOM 2022—April 1, 2022 Update List

WOM 2022 includes sections and forms from previous versions of the WOM, which are still current.

Only sections and forms that have been revised for 2022 are noted in the list below. The list **excludes** minor revisions to reformat content, to update terminology, and to correct grammatical and numeric sequencing errors.

- Section page numbers/form numbers appear in the first column.
- The second column indicates revised and/or new content.

There are two ways to download the current WOM from AHFC's website.

ahfc.us/efficiency/research-information-center/manuals-forms-and-workbooks/weatherization-operations-manual

1. To obtain one file (pdf format) that includes all pages of the WOM, copy and paste the URL above into a browser. Then, click on the *Weatherization Operations Manual 2022 (Complete)* link.

Note: To print from this all-inclusive pdf file, select page ranges for each section/form and print one- or two-sided accordingly, or print a complete one-sided original and make one- or two-sided copies from the hard copy.

2. To print or save sections and forms individually, click on the individual file links on the same web page. Some forms are in file formats for editing or making calculations.
