See the federal “Excluded Parties Listing System” at [www.sam.gov](http://www.sam.gov).

#### 13. MISSTATEMENTS

If the Corporation determines that a grant recipient has made a material misstatement relating to the grant recipient’s application for, or administration of, a grant, the Corporation will, in its discretion, require the grant recipient to repay the grant to the Corporation, together

with accrued interest on the amount of the grant calculated at the highest rate allowed by law from the date of issuance of the grant check(s) by the Corporation.

#### 14. RESERVATIONS

AHFC reserves the right to accept or reject any or all applications in whole or in part. An application may be rejected by AHFC if an applicant is considered a “non-responsible bidder.” A non-responsible bidder is one who has failed to comply with NOFA requirements; who has failed to perform under any previous grant, tax credit allocation, or loan; who has previously failed to perform properly or to complete on time projects of a similar nature; or who habitually and without cause neglected the payment of bills or otherwise disregarded obligations to subcontractors, material suppliers or employees.

Applicants who download this NOFA from Ariba should continually check for email notifications regarding possible modifications or deadline extensions.

#### 15. PROPOSAL COSTS

AHFC will not reimburse recipients of a BHAP application package for costs incurred in preparation of a response to this NOFA, nor any subsequent modifications. Any/all costs incurred by the applicant in preparation of this application, including travel and personal expenses, are to be borne by the applicant and may not be charged as an expense of meeting the terms of any subsequent grant agreement, if any.

#### 16. ACCEPTANCE OF TERMS

By submitting a BHAP application, an applicant accepts all terms and conditions of this NOFA and those contained in AHFC regulations 15 AAC 154.010 – 15 AAC 154.080. If a grant is awarded the applicant’s proposal will become part of the grant agreement. The applicant also agrees to the following:

Financial statements included in the application will be considered to be public information unless the applicant specifies in writing that the financial statements remain confidential.

## 17. APPLICATION REVIEW AND EVALUATION CRITERIA

### A. Application Review

AHFC's Planning and Program Development Department will facilitate the review of each application and forward recommendations to AHFC's Executive Director, who will make a final determination on the applications. Upon final approval from the Executive Director, applicants will be notified in writing of their proposed level of funding.

### B. Evaluation Criteria

Threshold Review: Each application must pass a threshold review to be considered for funding. The threshold review will consider the following:

- I. The application was received by the deadline stated in section 9 of this NOFA;
- II. AHFC has determined that the applicant is a "responsible bidder" as described in section 14 of this NOFA;
- III. The BHAP Organization and Coordinated application forms provided by AHFC are entirely completed (with N/A appearing in areas that may not apply) and signed by the applicant's authorized representative;
- IV. The Coordinated Application contains the required resolution from the applicant's governing body as described in section 7 of this NOFA; and
- V. Demonstration of a financially feasible program as determined by AHFC and/or review committee.

### C. Award Factors

A reduction in legislative appropriation for SFY22 HAP funding of up to 20 percent will result in prorated cuts in funding for applications received through this NOFA. If funding is reduced by more than 20 percent, applications will be evaluated on the following criteria:

- i. Reasonable geographic distribution throughout the state.
- ii. Levels of funding necessary, based on AHFC's sole determination, to result in a financially feasible project.
- iii. Program activities are aligned with the identified community need and prioritized to maximize the resources available to the organization.
- iv. The Planning Department will prepare recommendations to the AHFC CEO for funding consideration. The CEO has the authority to award funding based on statewide distribution.

### 18. Grant Agreement Requirements

After AHFC receives BHAP funding authorization from the Legislature, successful applicants will be notified if any additional information is needed before preparation of a formal grant agreement. The successful applicant's work plan, timelines, and budget may be modified by AHFC based upon additional information received and final Legislative appropriation for the funding cycle.

- A. BHAP funds awarded may be revoked or recaptured, at AHFC's discretion, for:
  - i. Violation of program rules, regulations, or statutes;
  - ii. Inability of the applicant to complete the project on time;
  - iii. Failure of the applicant to meet expenditure timelines, deadlines, or other reporting requirements during the implementation phase of the project; and
  - iv. Fraudulent activities; performance on previous AHFC financed or funded projects; or knowingly misleading AHFC through actions or statements concerning the award of BHAP funds.
- B. If AHFC determines that the award of BHAP funds must be revoked or recaptured the Grantee will receive a written explanation detailing the following items:
  - i. The reason for the action;
  - ii. The federal or state rules, regulations, or statutes violated; and
  - iii. Remedy for the action; and the appeal process that is available to the recipient of BHAP funds.
- C. The Grantee shall establish and maintain a separate record of all financial transactions associated with AHFC grant activities. In addition to any reports and data required under other parts of this Grant Agreement, the Grantee shall submit the following

reports described below to AHFC. In addition to instructions contained in the body of this Grant Agreement, Grantee must follow instructions on the pertinent forms.

- i. Monthly Report of Grant Progress. Monthly reports are required to be submitted to AHFC based on calendar months.
- ii. Quarterly Report of Grant Progress. Progress reports are required to be submitted to AHFC based on calendar quarters.
- iii. Final Grant Reports. Within ninety (90) days of project completion or the end of the grant performance period, whichever occurs first, the Grantee shall provide to AHFC a final report.
- iv. Failure to submit two (2) or more reports will constitute a performance finding that may result in suspension or termination of the grant or point deductions in future grant competitions.

## 19. GRANT TERM EXTENSION

AHFC reserves the right to renew projects awarded under this NOFA for up to three one-year terms, should the Corporation elect not to conduct a funding competition in the years following this award.
