## Energy Rater Application Introduction

### INTRODUCTION

This Alaska Energy Rater Application has been prepared for the use of applicants that want to become an Alaska Housing Finance Corporation (AHFC) - authorized Energy Rater who do not have a current Energy Rater Agreement with AHFC.

### HOW TO BECOME AN AHFC-AUTHORIZED ENERGY RATER

More information on how to apply to become an AHFC-authorized Energy Rater may be found at <https://www.ahfc.us/pros/energy/energy-rater/becoming-rater> and in the regulations which can be viewed at <http://www.akleg.gov/basis/aac.asp - 15.155>

Alaska Housing Finance Corporation is authorized under AS 18.56.860 to approve a home energy rating system used in the State. AHFC has extensive experience in preparing and training professionals to assess structures across the wide range of climate zones found in Alaska.
