

**Conflict of Interest/ Ethics Disclosure  
Form**

# \_\_\_\_\_ (Rater-defined Reference #)

In accordance with Alaska Housing Finance Corporation Home Energy Rating Manual, Section 4002, I hereby report that I, \_\_\_\_\_, (Energy Rater):

Check all that apply:

- provide services that may be recommended by this rating process
- provide products that may be recommended by this rating process
- am associated with the provider of products and/or services that may be recommended by this rating process. Name and describe association (family member, business partner, etc.): \_\_\_\_\_
- other potential conflict: \_\_\_\_\_

This document serves as appropriate disclosure to AHFC and \_\_\_\_\_ (customer name) at \_\_\_\_\_ (customer address) that similar products or installation services may also be available from other sources. The above named client is under no obligation to purchase such services or products from (insert company name) \_\_\_\_\_.

The following is a list or description of products or services that may produce a conflict of interest:

Please attach additional information, if necessary.

Continued on next page.

In the event that the client identified in this disclosure purchases products or services from the Energy Rater, Energy Rater company, or company associated with the Energy Rater as described in this disclosure, the post rating for this home must be completed by a different and independent Energy Rater/Energy Rater Company.
