AHFC's Senior Housing Office was created in 1990 to promote a comprehensive response to the needs of senior citizens for adequate, accessible, secure and affordable housing in the state. In order to fulfill this legislative mandate, the Senior Housing Office provides research; information and collaboration of senior housing efforts and issues in Alaska. The Senior Housing Office works in conjunction with and supports the efforts of the Alaska Commission on Aging

The office of the Long-Term Care Ombudsman investigates reports of abuse within various types of residential living facilities that house senior citizens.

Alaska's Long Term Care Ombudsman can be reached at
800.730.6393 or 907.334.4480

The attached report contains a listing of assisted living homes/facilities organized by community, with phone number, address and total unit count provided. This report is updated regularly as changes are known or reported and new units added.

For the latest information on licensed assisted living operators within Alaska you may also wish to consult the Division of Public Health at 269.3640 or <http://dhss.alaska.gov/dhcs/Pages/cl/all/default.aspx>
