

Exhibit 11-8

Mainstream Voucher Programs

Rental assistance for non-elderly, disabled families was consolidated under the Housing Choice Voucher Program in the Frank Melville Supportive Housing Investment Act of 2010 (Public Law 111-374). AHFC first received Mainstream vouchers in the Omnibus Appropriations Act of 2017. The Mainstream Voucher Program at AHFC combines rental assistance with services overseen by the State of Alaska Department of Health and Social Services.

1. Voucher Increments

AHFC has two Mainstream voucher programs: one is funded directly by HUD, and the other is funded through a Reimbursable Services Agreement with the Department of Health and Human Services, Division of Behavioral Health.

1.A Mainstream – HUD-Funded

These vouchers are governed by the rules set forth in the Notice of Funding Availability, FR-6100-N-43, April 18, 2018 and Housing Choice Voucher Program regulations at 24 CFR 982. AHFC received Mainstream vouchers in the following increments.

- HUD funded 50 vouchers effective [November 1, 2018](#).
- HUD funded 15 vouchers effective [June 1, 2020](#) under the [CARES Act](#) with PIH Notice 2020-09¹.

AHFC is required to maintain a utilization rate of 80 percent to avoid reallocation.

1.B Mainstream 811 – DHSS-Funded

These vouchers serve persons who were initially referred for the Section 811 PRA Program, but were unable to obtain a residential unit in that program.

- DHSS funded \$109,318 effective [October 15, 2019](#).
- DHSS funded \$109,318 effective [October 8, 2020](#).

1.C Administration

AHFC will administer Mainstream vouchers under the same rules as a Moving to Work Setaside Program Voucher except as described in the sections below.

¹ Public and Indian Housing Notice 2020-09, issued May 12, 2020, effective until amended, superseded, or rescinded. "CARES Act Mainstream Funding for Public Housing Authorities (PHAs) Awarded Funding Allocations in the 2017 and 2019 Competitions."

1.C.1. Mainstream – HUD

In general:

1. Mainstream vouchers are issued to DHSS referrals only.
2. When a Mainstream voucher is returned, it is issued to the next eligible referral.
3. These vouchers do not have time limits.
4. Mainstream has its own monthly budget report as these vouchers have a separate funding stream. These vouchers are in addition to each office's regular voucher allocation.
5. Mainstream families may transfer to another AHFC voucher area by following AHFC's current policy in the Family Moves exhibit.
6. Mainstream vouchers are eligible for portability out of the state of Alaska by following AHFC's current policy in the Family Portability exhibit.
7. These vouchers are reported to HUD. This means staff is required to follow EIV procedures.

1.C.2. Mainstream 811 – DHSS

In general:

1. Mainstream 811 has its own monthly budget report as these vouchers have a separate funding stream. These vouchers are in addition to each office's regular voucher allocation.
2. Mainstream 811 families may transfer to another AHFC voucher area by following AHFC's current policy in the Family Moves exhibit.
3. These vouchers are reported to HUD. This means staff is required to follow EIV procedures.

1.D Eligible Population

Mainstream vouchers are reserved for those families who meet HUD's definition of a non-elderly, disabled family as shown in the Qualify as a Family exhibit as stated in the Definitions section of this exhibit. The family must also:

- Be transitioning out of institutional or other segregated settings, or
- Be at serious risk of institutionalization, or
- Be homeless, or
- Be at risk of becoming homeless.

DHSS will perform these verifications and keep the documentation in its file records.

1.E Program Locations

Mainstream initial assistance is available in the following AHFC voucher communities: Anchorage, Fairbanks, Homer, Juneau, Matanuska-Susitna Borough, and Soldotna. AHFC and DHSS may choose to expand the availability based on future awards. Once

the initial residency requirement is met, these vouchers may move to any AHFC voucher community.

Mainstream 811 vouchers may be used in any AHFC voucher community.

1.F DHSS Information Requests

Families interested in this program must be referred through DHSS.

2. Waiting Lists

AHFC will not run a separate waiting list for Mainstream applicants. These families may apply for other open AHFC rental assistance programs such as the Public Housing (PH) program while participating in the Mainstream program. All applicants for AHFC's programs are placed on waiting lists in accordance with AHFC's policy and eligibility requirements at the time of application.

3. Applicant Screening

Mainstream applicants are subject to the same criteria as other voucher families. Applicant families that are ineligible will receive the Ineligibility Notice along with the Applicant Informal Review. AHFC will copy the service provider point of contact with the Ineligibility Notice so they may assist the family.

4. Program Operations

All opportunities available to MTW voucher families are available to Mainstream families. The following sections detail exceptions to HCV Administrative Plan operations.

4.A Briefing and Voucher Issuance

See the Applicant, Participant, and Owner Briefing exhibit for briefing materials. See the Issuance and Shopping exhibit for the voucher term and extensions.

4.B Enterprise Income Verification (EIV)

These vouchers are reported to HUD. Therefore, rules regarding Enterprise Income Verification (EIV) apply.

4.C 50058 Coding²

All HUD Mainstream 50058s created must have code “MS5” in line 2n. These vouchers will be reported in the Voucher Management System in the “Mainstream 5-Year HAP and UML” fields. Mainstream 811 vouchers do not need a code in line 2n of the 50058.

PHAs should report Mainstream Vouchers under the Catalogue of Federal Domestic Assistance (CFDA) number 14.879 “Mainstream Vouchers” in the Financial Assessment of Public Housing Agencies (FASS-PH). This applies to all Mainstream Vouchers, including those awarded prior to 2018.

4.D Examinations

All Mainstream families will be subject to regular (annual) income and composition examinations. Families are not required to maintain supportive services in order to remain eligible for Mainstream continuing assistance.

4.E Inspection Requirements

Mainstream vouchers will follow the inspection requirements as set forth in the Housing Quality Standards Inspections chapter.

4.F Data Monitoring

The Central Office will produce a report monthly for staff use. This report will be shared with DHSS to assess current budget usage, status of shopping vouchers, number of vouchers leased, and number of available vouchers.

4.G Moves and Ports

Families are eligible to move their Mainstream voucher to any AHFC community with a voucher program. Returned vouchers will go back to their originating community. AHFC and DHSS will coordinate regularly to ensure full utilization of available Mainstream vouchers.

- A Mainstream voucher family is not required to port to a PHA with a Mainstream program.
- If a PHA that does not have a Mainstream program chooses to absorb a Mainstream voucher family, the voucher is considered a regular voucher. When absorbed, AHFC will retain the Mainstream voucher and issue it to the next eligible family.

Only HUD Mainstream vouchers are eligible to port their assistance outside of Alaska. Mainstream 811 vouchers are funded by the state of Alaska and must remain here. Mainstream 811 families are eligible to move to any AHFC voucher community by following the policy in the Family Moves exhibit.
