If the individual requests the assistance of the HA, and if the HA cannot resolve the complaint promptly, the HA should advise the individual that he or she may file a complaint with HUD, and provide the individual with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

4. Consideration of Circumstances

HUD Regulation 24 CFR 5.852

What discretion do I have in screening and eviction actions?

(a) General. If the law and regulation permit you to take an action but do not require action to be taken, you may take or not take the action in accordance with your standards for admission and eviction. Consistent with the application of your admission and eviction standards, you may consider all of the circumstances relevant to a particular admission or eviction case, such as:

- (1) The seriousness of the offending action;
- (2) The effect on the community of denial or termination or the failure of the responsible entity to take such action;
- (3) The extent of participation by the leaseholder in the offending action;
- (4) The effect of denial of admission or termination of tenancy on household members not involved in the offending action;
- (5) The demand for assisted housing by families who will adhere to lease responsibilities;
- (6) The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action; and
- (7) The effect of the responsible entity's action on the integrity of the program.

(b) Exclusion of culpable household member. You may require an applicant (or tenant) to exclude a household member in order to be admitted to the housing program (or continue to reside in the assisted unit), where that household member has participated in or been culpable for action or failure to act that warrants denial (or termination).

(c) Consideration of rehabilitation.

(1) In determining whether to deny admission or terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, you may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully (42 U.S.C. 13661). For this purpose, you may require the applicant or tenant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

(2) If rehabilitation is not an element of the eligibility determination (see § 5.854(a)(1) for the case where it must be considered), you may choose not to consider whether the person has been rehabilitated.

(d) Length of period of mandatory prohibition on admission. If a statute requires that you prohibit admission of persons for a prescribed period of time after some disqualifying behavior or event, you may apply that prohibition for a longer period of time.

(e) Nondiscrimination limitation. Your admission and eviction actions must be consistent with fair housing and equal opportunity provisions of § 5.105.

AHFC Policy

When considering circumstances, NWA will apply their policies and procedures.

4.A Violence Against Women Act (VAWA) Protections

AHFC Policy

See the Violence Against Women Act (VAWA) exhibit for guidance.

4.B Due Process Rights of Applicants

If NWA determines that an applicant’s criminal record may make them ineligible for admission, NWA will send a written notification to the applicant giving them time to dispute the record.

5. Criminal Records After Offer of Admission

HUD Regulation 24 CFR 5.901

(a) General criminal records searches. This subpart applies to criminal conviction background checks by PHAs that administer the Section 8 and public housing programs when they obtain criminal conviction records, under the authority of section 6(q) of the 1937 Act (42 U.S.C. 1437d(q)), from a law enforcement agency to prevent admission of criminals to public housing and Section 8 housing and to assist in lease enforcement and eviction.

(b) Sex offender registration records searches. This subpart applies to PHAs that administer the Section 8 and public housing programs when they obtain sex offender registration information from State and local agencies, under the authority of 42 U.S.C. 13663, to prevent admission of dangerous sex offenders to federally assisted housing.

(c) Excluded records searches. The provisions of this subpart do not apply to criminal conviction information or sex offender information searches by a PHA or others of information from law enforcement agencies or other sources other than as provided under this subpart.

HUD Regulation 24 CFR 5.902

Law enforcement agency. The National Crime Information Center (NCIC), police departments and other law enforcement agencies that hold criminal conviction records.

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is:

- (1) Maintained confidentially;
- (2) Not misused or improperly disseminated; and
- (3) Destroyed, once the purpose(s) for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation.

AHFC Policy

NWA is responsible for maintaining applicant and tenant eligibility records. NWA will be responsible for adhering to the regulations above.

(i) The PHA would have “sufficient evidence” if the household member submitted a certification that she or he is not currently engaged in and has not engaged in such criminal activity during the specified period and provided supporting information from such sources as a probation officer, a landlord, neighbors, social service agency workers and criminal records, which the PHA verified.

(ii) For purposes of this section, a household member is “currently engaged in” criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.
