MORTGAGE VOUCHER
(Form PUR-1)

Purpose: To provide data regarding loans being submitted to AHFC for purchase. The data is input onto the ALCS computer system; therefore it must be accurate and legible.

Prepared by: Approved AHFC Seller submitting loan for purchase.

Distribution: Original sent to AHFC with corresponding loan package.

INSTRUCTIONS

Complete upper section page one with lender name, date prepared, prepared by, phone and fax numbers.

AHFC commitment number assigned by AHFC.

Borrower's short name.

Borrower's mailing address.

Seller/Service loan number (maximum of 9 digits).

Date interest has been paid to. AHFC will adjust the price paid for the loan to reflect the time between the interest paid to date and the date the loan is actually purchased.

The amount of principal being purchased by AHFC.

All loans require a code. All government-insured loans are coded 84. For conventional loans, the appropriate PMI code (insured and uninsured) should be entered. See codes listed below.
