Job Search Series: Application/Resume/Interview OR Creating Success in the Workplace

Basic Computer Skills Series (30 contact hours, 12 part class)

March 31st and April 1st, 2nd, 3rd, 6th, 7th, 8th, 9th, 13th, 15th, 16th, 17th

12pm – 2:30pm

***In Person class – AFIC Building, 440 E. Benson**

Successful students will receive a free one-year subscription to Professor Teaches Web, a web based interactive tutorial for Microsoft Office 2019 and Windows 10! This course consists of three levels and begins with instruction on the basics of personal computers including operating systems, email, file management and the use of Zoom for online learning. The class quickly progresses and encompasses the use of MS OneDrive, Outlook, Word, Excel, and PowerPoint. By the end of this course, students will be able to utilize Microsoft Word, in order to create and edit business letters, resumes, and other documents, demonstrate basic Microsoft Excel skills in order to manage and track work hours and/or simple finances, utilize Microsoft PowerPoint for basic presentations, and share and review files with OneDrive. Students will be assisted to create a Microsoft (MS) Outlook account that gives access to free online MS applications (Word, Excel, PowerPoint, OneDrive, etc.).

Job Search Part 1 - Effective Job Application Principles (6 contact hours, 3 part class)

March 30th, 31st and April 2

6pm – 8pm

***On-line via Zoom**

This course focuses on creating a Master Job History that can be used to fill in any job application at a moment's notice. Guidance will be given regarding specific protocols and strategies to create a job application that will make a good impression. The student will learn to customize their application by analyzing a job ad to address the specific job requirements, skills, and qualifications needed. Students who complete this series will receive a \$25 Gift card. *The virtual version of this class will require a PC, Mac, or Chromebook computer and an Internet capability of at least 600kbps.*

Job Search Part 2 - Resumes and Cover Letters (6 contact hours, 3 part class)

April 8th, 9th, 10th

6pm – 8pm

***Online via Zoom**

This course continues with the Master Job History document created in Job Search Part 1, and comes with a free one-year subscription of ResumeMaker Pro Web, providing quality online resumes, cover letters, and job search and interview tools. Best practices for resume building and cover letters are discussed while integrating the student's employment history into a web-based resume application service. Fundamentals of dissecting a job posting and responding with a targeted resume will be reviewed. The class will also include exploration of additional features of ResumeMaker Pro including Job Search Tools, Interview and Salary, and Expert Advice. Students who complete this series will receive a \$25 Gift card. *The virtual version of this class will require a PC, Mac, or Chromebook computer and an Internet capability of at least 600kbps.*

Job Search Part 3 - Successful Interviewing Techniques (4 contact Hours, 2 part class)

April 13th, 14th

6pm – 8pm

***Online via Zoom**

This course will present basic interviewing skills and discuss preparing for an interview. Students will practice interview scenarios and questions and then be able to participate in a mock interview role play. Students who complete this series will receive a \$25 Gift card. *The virtual version of this class will require a PC, Mac, or Chromebook computer and an Internet capability of at least 600kbps.*

Preparation for MOS Word Certification (32 contact hours, 16 Parts)

March 30th, 31st

April 1st, 3th, 6th, 8th, 10th, 13th, 15th, 17th, 20th, 22nd, 24th, 27th, 29th

May 1st, 4th

6pm - 8pm

***Online via Zoom**

Registration must be approved by OTS. This is an intense class and is designed for students who have completed the Basic Computer Skills series. Students must have a basic computer knowledge and familiarity with Microsoft Word. The course will assist students to prepare for the Microsoft Office Specialist Word certification exam. At the end of this course individuals will have a fundamental understanding of the Word environment and the ability to complete tasks independently. They will know and demonstrate the correct application of the principal features of Word. Students will be able to create and edit 2 - 3 page documents for a variety of purposes and situations, such as professional-looking reports, multi-column newsletters, resumes, and business correspondence.

This class will meet three times a week for six weeks and will require approximately 6 hours a week of outside class time for assignments and directed self-study for the duration of the class. The MOS exam requires a great deal of preparation and is not given in class. However, all students who successfully complete the class will receive assistance in scheduling and taking the Microsoft Office Specialist Word exam. *The virtual version of this class will require a PC, Mac, or Chromebook computer and an Internet capability of at least 600kbps.*

Money Sense (4 contact Hours, 2 part class)

April 7th and 8th from 6pm – 8pm

***Online via Zoom**

This course will show participants how to prepare and follow a personal spending plan, and help to rebuild their finances and credit. Topics include how to get extra money out of your situation, making tough choices in tight months, and creating a savings action plan. All participants will complete a personal budget and spending plan according to standards set by AHFC Jumpstart program. *The virtual version of this class will require a PC, Mac, Chromebook computer, or smart phone and an Internet capability of at least 600kbps.*

Part 2 - More Money Sense (4 contact Hours, 2 part class)

April 9th and 10th from 6pm – 8pm

***Online via Zoom**

The course is a continuation of Money Sense and does not meet the Step Program Financial Literacy requirement on its own. Topics include different forms of credit to suit the needs of an individual, how to use credit appropriately, how to address credit deficiencies, and interpret a credit report. Students will learn more about debt reduction, bank services and account types, and skills needed to correctly manage accounts. Finally, the basics of long-term financial planning, homeownership, and other asset building strategies will be discussed. *The virtual version of this class will require a PC, Mac, Chromebook computer, or smart phone and an Internet capability of at least 600kbps.*

AlaskaHost Customer Service Essentials (4 contact hrs, 2 part class)

April 15th, 16th

6pm – 8pm

AlaskaHost is a statewide customer service training program focusing on the hospitality and visitor services industries. The program trains participants how to provide quality customer service for residents and visitors to Alaska. At the end of the course, students will have learned to understand the importance of providing quality customer service, recognize and anticipate customer needs and expectations, understand and communicate the economic value of the visitor industry to the State of Alaska, learn how to deal with dissatisfied customers in a professional, helpful manner. Upon completion of the Customer Service Essentials course, participants receive a course certificate featuring the artwork of Alaskan artist, Rie Muñoz. *The virtual version of this class will require a PC, Mac, Chromebook computer, or smart phone and an Internet capability of at least 600kbps.*

FAFSA Guidance - Federal Application for Student Aid (2 contact hours - 1 part class)

April 21st

6pm – 8pm

***Online via Zoom**

The new 2026–2027 FAFSA form is here! Class is limited, so don't delay! Register Now. This course will assist students and families in completing the all-important Application for Federal Student Aid (FAFSA). You will be completing your own form online as we walk you through step by step. Prospective college students and their parents are encouraged to be present during class. Only the students need to register. If you have not already done so, all students will need to create an account (FSA ID) at www.StudentAid.gov/fsa-id/create-account before class.

You will need to enter your Social Security number and your own mobile phone number and/or email address. During class, parents and students will need to enter information from your **2024 federal tax return** including all income sources, so have that information ready. We will email a worksheet prior to class to assist you. *The virtual version of this class will require a PC, Mac, or Chromebook computer and an Internet capability of at least 600kbps.*
