Instructions to Offerors Non-Construction

U.S. Department of Housing and Urban Development
Office of Public and Indian Housing

- 03291 -

1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

(1) signing and returning the amendment;
(2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
(3) letter or telegram, or
(4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

(1) Have adequate financial resources to perform the contract, or the ability to obtain them;
(2) Have a satisfactory performance record;
(3) Have a satisfactory record of integrity and business ethics;
(4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
(5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

(1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
(2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/HUD that the late receipt was due solely to mishandling by the HA/HUD after receipt at the HA;
(3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
(4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may
(1) reject any or all offers if such action is in the HA's interest,
(2) accept other than the lowest offer,
(3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

3. Termination for Convenience and Default **(SEE ARTICLE 12 IN SUPPLEMENT TO GENERAL CONDITIONS FOR NON-CONSTRUCTION)**

(b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.
(c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.

(c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA's decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.

(e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. 5. All partial payments made to the Contractor under the provisions of this section.

AHFC will, from time to time under such terms and conditions as it may prescribe, make partial payments on account against costs incurred by the Contractor in connection with the terminated portion of the Contract whenever in the opinion of the Contract Administrator the aggregate of such payments shall be within the amount to which the Contractor will be entitled hereunder, otherwise the Contractor shall not be entitled to receive further payments until final settlement is reached.

Where the work has been terminated by AHFC, this termination shall not affect or terminate any of the rights of AHFC against the Contractor or its surety then existing or which may thereafter accrue because of such termination. Any retention or payment of monies by AHFC due to the Contractor under the terms of the Contract shall not release the Contractor or its surety from liability.

Unless otherwise provided for in the specifications or the Contract, or by applicable statute, the Contractor, from the effective date of termination and for a period of three (3) years after final settlement under this Contract, shall preserve and make available to AHFC at all reasonable times at the office of the Contractor, all its books, records, documents, and other evidence bearing on the cost and expenses of the Contractor under this Contract and relating to the work terminated hereunder.

ARTICLE 12. TERMINATION FOR CONVENIENCE

The performance of work under this Contract may be terminated by AHFC in accordance with this section in whole or in part, whenever, for any reason AHFC, through its Contracting Officer or Contract Administrator, shall determine that such termination is in the best interest of AHFC. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying termination is for the convenience of AHFC, the extent to which performance of work under the Contract is terminated, and the date upon which such termination becomes effective.

After receipt of a Notice of Termination and except as otherwise directed by the Contract Administrator, the Contractor shall:

A. Stop work under the Contract on the date and to the extent specified in the Notice of Termination;

B. Place no further orders or subcontracts or provide no further services, except as may be necessary for completion of such portion of the work under the Contract as is not terminated;

C. Terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination;

D. With the approval or ratification of the Contract Administrator, to the extent they may require, settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, the cost of which would be reimbursable, in whole or in part, in accordance with the provisions of the Contract;

E. Submit to the Contract Administrator a list, certified as to quantity and quality, of any or all items of termination inventory exclusive of items the disposition of which had been directed or authorized by the Contract Administrator;

F. Transfer to the Contract Administrator the completed or partially completed plans, drawings, information, and other property which, if the Contract had been completed, would be required to be furnished to AHFC; and

G. Take such action as may be necessary, or as the Contract Administrator may direct, for the protection and preservation of the property related to the Contract which is in the possession of the Contractor and in which AHFC has or may acquire any interest.

The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the amount of any item or reimbursable cost under this clause.

When AHFC orders termination of work under this Contract effective on a certain date, all completed units of work within each pay item as of that date will be paid for at the Contract unit price, if any, subject to the express limitations applying to cost reimbursement as outlined below. Payment for partially completed work will be made either at agreed prices or by time and materials methods as described in this Contract, subject to the express limitations applying to cost reimbursement as outlined below.

After receipt of a Notice of Termination, the Contractor shall submit to the Contract Administrator, its claim for additional damages or costs not covered above or elsewhere in this Contract. The intent of negotiating this claim would be an equitable settlement figure to be reached with the Contractor. In no event, however, will the following costs or damages be deemed reimbursable, and the Contractor expressly waives any right or entitlement to claim for such costs or damages:

A. Loss of anticipated profits, including any claim for damages flowing from such loss of anticipated profits;

B. Any profit on the completed portions of the Contract, if AHFC reasonably determines that the Contractor would have incurred a loss had the entire Contract been completed;

C. Any costs associated with bid preparations;

D. Any costs associated with general and administrative expenses (G&A), or any other indirect cost, as defined in 48 CFR 31.203(10-1-96), as amended, not expressly identified herein;

E. Any legal fees incurred in conjunction with the Contractor's performance on the Contract including, but not limited to, legal fees incurred in conjunction with the preparation of any claim, incurred prior to the effective date of the termination for convenience; and

F. Any costs associated in any way with the Contractor's preparation of its termination for convenience settlement claim including, but not limited to, legal fees, expert fees, accounting fees, copying fees, or any other direct or indirect cost associated with the preparation of the settlement claim.

The Contractor's termination claim shall be submitted promptly, but in no event later than ninety (90) days from the effective date of termination, unless one or more extensions in writing are granted by the Contract Administrator upon request of the Contractor made in writing within the ninety (90) day period. Upon failure of the Contractor to submit its termination claim within the time allowed, the Contract Administrator may determine, on the basis of information available to him, the amount, if any, due the Contractor by reason of the termination and will thereupon pay to the Contractor the amount so determined.

The Contractor and the Contract Administrator may agree upon whole or any part of the amount or amounts to be paid to the Contractor by reason of the total or partial termination of work pursuant to this section. The Contract will be amended accordingly, and the Contractor will be paid the agreed amount.

In the event of the failure of the Contractor and the Contract Administrator to agree in whole or in part, as provided herein, as to the amounts with respect to costs to be paid to the Contractor in connection with the termination of work, the Contract Administrator will determine, on the basis of information available to him, the amount, if any, due to the Contractor by reason of the termination and will pay the Contractor the amount determined as follows:

A. All costs and expenses reimbursable in accordance with the Contract not previously paid to the Contractor for the performance of the work prior to the effective date of the Notice of Termination;

B. So far as not included under Paragraph A. above, the cost of settling and paying claims arising out of the termination of work under subcontracts or orders which are properly chargeable to the terminated portions of the Contract. However, in no event shall the Contractor be entitled to legal fees or other costs associated with the pursuit or defense of any claims associated with work performed under such subcontracts.

C. The reasonable costs of settlement with respect to the terminated portion of the Contract, to the extent that these costs have not been covered under the payment provisions of the Contract.

ARTICLE 13. ADDITIONAL REQUIREMENTS

A. Additional Bases For Default:

1. AHFC may declare the Contractor to be in default in any situation where it determines that the Contractor has breached any provision of this Contract, including but not limited to any of the following reasons:
   a. Failure of the Contractor to begin work within the time specified in the Contract or as otherwise specified by AHFC;
   b. Failure of the Contractor to perform the work with sufficient labor, equipment, or material to insure the timely completion of the work in accordance with the Contract's requirements;
   c. Unsatisfactory performance of the work;
   d. Failure or refusal of the Contractor to remove material, or remove and replace any work rejected as defective or unsatisfactory;
   e. Discontinuance of the work without approval by AHFC;
   f. Failure of the Contractor to resume work, which has been discontinued, within a reasonable time after notice by AHFC to do so;
   g. Insolvency or bankruptcy of the Contractor;
   h. Any assignment of this Contract by the Contractor for the benefit of creditors;
   i. Failure or refusal of the Contractor to, within ten (10) days of payment by AHFC, make payments or show cause why payment should not be made, of any amounts due by the Contractor for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered; or
   j. Failure by the Contractor to protect, repair, or pay for any damages or injuries to persons or property.
   k. Failure by Contractor to remove from the job site any personnel of the Contractor or its subcontractors whom the Contract Administrator determines to be incompetent, dishonest, careless, inexperienced in work he/she is responsible for performing, negligent or uncooperative.

2. AHFC may declare default and terminate the Contract, in whole or in part, for any reason set forth above, or any other reason permitted under this Contract or by law, by providing written notice of such to the Contractor.

3. If the Contract is terminated for default, AHFC may, in addition to any other rights and remedies provided in this Contract, require the Contractor to transfer title and deliver immediately, in a manner required by AHFC, such partially completed work, including where applicable, reports, working papers and other documents that the Contractor, or its agents or subcontractors, have produced or acquired in its performance of the Contract. Payment for partially completed work shall be made in an amount deemed reasonable and appropriate by AHFC. AHFC may withhold from such payments amounts deemed necessary by AHFC to offset against additional costs or loss reasonably anticipated to occur.

4. The rights and remedies set forth in this article are in addition to any and all other rights and remedies available to AHFC under this Contract and law.

5. AHFC's failure to exercise any right or remedy provided under the Contract shall not constitute a waiver of AHFC's rights and remedies in the event of any breach of Contract, default or subsequent event of breach of Contract or default. Consent or notice by AHFC for one event may not be construed as consent or notice in the future.

ARTICLE 14. SUBCONTRACTS AND ASSIGNMENTS

A. In addition to the requirements set forth in the General Conditions for Non-Construction Contracts (Section I - HUD Form 5370-C), any assignment consented to by AHFC shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee expressly agrees to be legally bound by all of the terms and conditions of this Contract and to assume the duties, obligations, and responsibilities being assigned. AHFC retains the sole and absolute right to withhold its consent for any requested assignment for any reason whatsoever. Any assignment entered into without AHFC's prior written consent shall be void.

B. The Contractor shall not enter into any subcontract with any person or entity to perform all or any part of the work required under this Contract without first receiving the prior written consent of AHFC. AHFC retains the sole and absolute right to withhold its consent for approval of any proposed subcontractor for any reason deemed by AHFC to be in its best interest.

ARTICLE 15. JURISDICTION AND VENUE

This Contract is governed by the laws of the State of Alaska. Any judicial action between the Contractor and AHFC arising out of this Contract shall be under the jurisdiction of and heard by the District or Superior Court, Third Judicial District at Anchorage, State of Alaska. Disputes will be governed by any applicable provisions of AHFC regulations, and the Disputes section, Article 11, of this Supplement to General Conditions of this Contract.
