### 3.2 DEFINITIONS

A. Basic Contract definitions are included in the General Conditions.

1. 'Indicated' refers to graphic representations, notes, or schedules on Drawings; Paragraphs or Schedules in Specifications; and similar requirements in Contract Documents. Where terms such as "shown," "noted," "scheduled," and "specified" are used, it is to help locate the reference.
2. 'Directed': Terms such as "directed," "requested," "authorized," "selected," "approved," "required," and "permitted" mean "directed by the Architect," "directed by the Contract Administrator," "requested by the Owner," "requested by the Architect," and similar phrases.
3. 'Approve', used in conjunction with action on submittals, applications, and requests, is limited to the Contract Administrator's or Architect's duties and responsibilities stated in General and Supplementary Conditions.
4. 'Regulation' includes laws, ordinances, statutes, and lawful orders issued by authorities having jurisdiction, and rules, conventions, and agreements within the construction industry that control performance of the Work.
5. 'Furnish' means "supply and deliver, ready for unloading, unpacking, assembly, installation, and similar operations."
6. 'Install' describes operations at the site including "unloading, unpacking, assembly, erection, anchoring, applying, and working to dimension, protecting, cleaning, and similar operations."
7. 'Provide' means "furnish and install, complete and ready for use."
8. 'Installer': Installer is the Contractor or an entity engaged by the Contractor as employee, subcontractor, or sub-subcontractor for performance of a particular construction activity, including installation,

erection, application, and similar operations. Installers are required to be experienced in the operations they are engaged to perform.

- a. The term "experienced" when used with "Installer" means having a minimum of 5 previous Projects similar in size to this Project and being familiar with the precautions required and with requirements of the authority having jurisdiction.
  9. 'Project Site' is the space available for construction activities, either exclusively or with others performing other construction on the Project. The extent of the Project Site is shown on the Drawings and may or may not be identical with the description of the land upon which the Project is to be built.
  10. 'Testing Laboratories': A "testing laboratory" is an independent entity engaged to perform specific inspections or tests, at the Project Site or elsewhere, and to report on and, if required, to interpret results of those inspections or tests.
- B. Specification Format: These Specifications are organized into Divisions and Sections based on the Construction Specifications Institute's 16-Division format and MASTERFORMAT numbering system.
- C. Language used in the Specifications is the abbreviated type. Implied words and meanings will be appropriately interpreted. Singular words will be interpreted as plural and plural words interpreted as singular where applicable and where the context so indicates.
1. Imperative language is used generally. Requirements expressed in the imperative mood are to be performed by the Contractor. At certain locations in the text subjective language is used to describe responsibilities that must be fulfilled indirectly by the Contractor or by others when so noted.
- D. Abbreviations and Names: Where acronyms or abbreviations are used in the Specifications or other Contract Documents, they mean the recognized name of the trade association, standards-generating organization, authority having jurisdiction, or other entity applicable. Refer to the "Encyclopedia of Associations," published by Gale Research Co., available in most libraries.

# Instructions to Offerors Non-Construction

U.S. Department of Housing  
and Urban Development  
Office of Public and Indian Housing

- 03291 -

## 1. Preparation of Offers

(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.

(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

## 2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

## 3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

## 4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

## 5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

## 6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

## **7. Contract Award**

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

## **8. Service of Protest**

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

## **9. Offer Submission**

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

#### 9. Assignment of Contract

The Contractor shall not assign or transfer any interest in this contract; except that claims for monies due or to become due from the HA under the contract may be assigned to a bank, trust company, or other financial institution. #### 12. Inspection and Acceptance

- (a) The HA has the right to review, require correction, if necessary, and accept the work products produced by the Contractor. Such review(s) shall be carried out within 30 days so as to not impede the work of the Contractor. Any

product of work shall be deemed accepted as submitted if the HA does not issue written comments and/or required corrections within 30 days from the date of receipt of such product from the Contractor.

- (b) The Contractor shall make any required corrections promptly at no additional charge and return a revised copy of the product to the HA within 7 days of notification or a later date if extended by the HA.

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(i) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(i) Any reasonable payment to a person, other than an officer or employee of a

Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the [contractor/seller]'s legal duty to furnish information.

(d) The [contractor/seller] will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the [contractor/seller]'s commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

## 17. Equal Opportunity for Workers with Disabilities

1. The [contractor/seller] will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. Should the Contract Administrator change at any time the Contractor will be notified in writing of the new Contract Administrator.

## **ARTICLE 7. INSURANCE.**

Without limiting Contractor's indemnification, it is agreed that Contractor will purchase at its own expense and maintain in force at all times during the performance of services under this Contract, the following policies of insurance.

AHFC Risk Management reserves the right, but not the obligation, to review and revise any of the following insurance requirements, based on insurance market conditions which may affect the availability or affordability of coverage; or based on changes in the scope of work or specifications that apply to this Contract. In addition, AHFC Risk Management reserves the right, but not the obligation, to review and reject any insurance policies failing to either meet the necessary criteria or that have been provided by an insurer in poor financial condition or legal status.

The requirements contained herein, as well as AHFC Risk Management review or acceptance of insurance maintained by Contractor is not intended to, and shall not in any manner, limit or qualify the liabilities or obligations assumed by Contractor under this Contract.

Insurance policies required to be maintained by Contractor will name AHFC as additional insured for all coverage except Workers' Compensation and Professional Liability/E&O insurance.

Contractor and its subcontractors agree to obtain a waiver, where applicable, of all subrogation rights against AHFC, its officers, officials, employees and volunteers for losses arising from work performed by the Contractor and its subcontractors for AHFC. However, this waiver shall be inoperative if its effect is to invalidate in any way the insurance coverage of either party.

Where specific limits are shown, it is understood that they will be the minimum acceptable limits. If the Contractor's policy contains higher limits, AHFC will be entitled to coverage to the extent of such higher limits. The coverages and/or limits required are intended to protect the primary interests of AHFC, and the Contractor agrees that in no way will the required coverages and/or limits be relied upon as a reflection of the appropriate types and limits of coverage to protect Contractor against any loss exposure whether a result of this Contract or otherwise.

Failure to furnish satisfactory evidence of insurance or lapse of any required insurance policy is a material breach and grounds for termination of the Contract.

1. **Workers' Compensation Insurance:** The Contractor will provide and maintain, for all employees of the Contractor engaged in work under the Contract, Workers' Compensation Insurance as required by AS 23.30.045. The Contractor shall be responsible for ensuring that any subcontractor that directly or indirectly provide services under this Contract has Workers' Compensation Insurance for its employees. This coverage must include statutory coverage for all States in which employees are engaging in work and employer's liability protection for not less than \$100,000 per occurrence. Where applicable, coverage for all federal acts (i.e., USL & H and Jones Acts) must also be included.
2. **Commercial General Liability (CGL) Insurance:** The Contractor will provide and maintain

Commercial General Liability Insurance with not less than \$1,000,000 per occurrence limit, and will include premises-operation, products/completed operation, broad form property damage, blanket contractual and personal injury coverage. Coverage shall not contain any endorsement(s) excluding or limiting contractual liability nor providing for cross liability.

3. **Automobile Liability Insurance:** The Contractor will provide and maintain Automobile Liability Insurance covering all owned, hired and non-owned vehicles with coverage limits not less than \$1,000,000 per occurrence bodily injury and property damages. In the event Contractor does not own automobiles, Contractor agrees to maintain coverage for hired and non-owned liability which may be satisfied by endorsement to the CGL policy or by separate Business Auto Liability policy.
4. **Contractor's Pollution Liability (or equivalent) Insurance:** Contractor will provide and maintain Contractor's Pollution Legal Liability Insurance covering all errors, omissions, or negligent acts of the Contractor, its sub-contractors, or anyone directly or indirectly employed by them, made in the performance of this Contract. Limits required are not less than \$1,000,000 per occurrence.
5. **Professional Liability Insurance:** *(if required by the ITB, Section 1, Notices, Item #10)* The Contractor will provide and maintain Professional Liability Insurance covering all errors, omissions or negligent acts of the Contractor, its subcontractors, or anyone directly or indirectly employed by them, made in the performance of this Contract which results in financial loss to the State. Minimum limits required are \$1,000,000; higher limits may be required based upon the scope of work for this Contract.
6. **Umbrella or Excess Liability:** Contractor may satisfy the minimum liability limits required above for CGL and Business Auto under an umbrella or excess Liability policy. There is no minimum per occurrence limit under the umbrella or excess policy; however the annual aggregate limit shall not be less than the highest per occurrence limit stated above. Contractor agrees to endorse AHFC as an additional insured on the umbrella or excess policy unless the certificate of insurance states that the umbrella or excess policy provides coverage on a pure "true follow form" basis above the CGL and Business Auto policy.
7. **Certificates of Insurance:** Contractor agrees to provide AHFC with certificates of insurance evidencing that all coverages, limits and endorsements as described above are in full force and effect and will remain in full force and effect as required by this Contract. Certificates shall include a minimum thirty (30) day notice to AHFC of cancellation or non-renewal. The Certificate Holder address shall read:

Alaska Housing Finance Corporation  
Risk Management Department  
4300 Boniface Parkway  
Anchorage, Alaska 99504  
Fax (907) 330-8217  
[risk@ahfc.us](mailto:risk@ahfc.us)

8. **Coverage Required under this Contract:** If any of the above insurance coverage is not required under the Contract, AHFC's Risk Manager will have clearly marked out and initialed.

9. Information for Insurance Agents/Brokers: The Contractor is strongly encouraged to provide its insurance agent/broker with a copy of Article 7 of this Contract in order that the Contractor may timely obtain and maintain the insurance and bonding required by the Contract.

## **ARTICLE 8. SEVERABILITY**

If any provision of this Contract is held to be invalid and unenforceable, the remaining provisions are valid and binding upon the parties. One or more waivers by either party of any provision, terms, conditions or covenant shall not be construed as a waiver by either party of their right to enforce such provision, term, condition or covenant in the event of any subsequent breach of the same provision, term, condition or covenant by the other party.

## **ARTICLE 9. SUCCESSION**

Each party to this Contract binds itself, its partners, successors, executors, administrators and assigns to the other party to this Contract, and to the partners, successors, executors, administrators and assigns of the other party in respect to all covenants in this Contract.

Nothing in this Contract may be construed as creating any personal liability on the part of any officer or employee of AHFC, nor may anything in the Contract be construed as giving any rights or benefits to anyone other than the parties bound by this Contract.

## **ARTICLE 10. MERGER AND EXTENT OF AGREEMENT**

The Contract is the agreement made between the Contractor and AHFC, which shall incorporate and include:

- A. Invitation for Bid;
- B. Instructions to Bidders, including any Supplemental Instructions to Bidders;
- C. General Conditions for Non-Construction Contracts – Section I (HUD Form 5370-C)(also referred to as the “General Terms and Conditions”), including this Supplement to the General Conditions;
- D. Bid Form with all required attachments submitted by the successful bidder;
- E. Any and all addenda;
- F. Evidence of insurance required by the above listed documents;
- G. All appendices or attachments;
- H. Drawings and specifications; and
- I. All other documents required by the terms and conditions of Items (A) through (H) above and all modifications as defined in the General Terms and Conditions.

All components of the Contract are complementary, and what is in any one document shall be as binding as though indicated in all documents.

The Contract, as defined herein, represents the entire agreement between AHFC and the Contractor and supersedes all prior negotiations, representations or agreements. Except as expressly set forth elsewhere in this Contract, the parties to this Contract shall not be bound by or liable for any statement, representation, promise, inducement or understanding of any kind or nature not set forth herein. No changes, amendments or modifications of any of the terms and conditions hereof shall be valid unless reduced to writing and signed by both parties. The Contractor shall have no contractual rights until the Contract has been fully executed by both parties and a Notice to Proceed has been issued.

## ARTICLE 11. DISPUTES

- A. **Contractor's Claims Procedures.** If the Contractor becomes aware of any act, occurrence or omission which may form the basis of a claim by the Contractor for additional compensation or an extension in time for performance; or takes exception to any instruction or directive from the Contract Administrator or Contracting Officer given by drawing, correspondence, change order, or otherwise, which materially affects the Contractor's costs or time of performance of the work; or if the Contractor disagrees with the adjustment in Contract price or Contract time for any change order, the Contractor shall submit a written notice of claim to the Contracting Officer with a copy to the Contract Administrator identifying the general nature and basis of the claim no later than seven (7) calendar days after the occurrence of such act or the receipt of such directive or change order and in any event before proceeding to incur any cost related to such claim. The notice of claim will be acknowledged in writing by the Contracting Officer within seven (7) calendar days of receipt.
- B. The Contractor shall have no right to additional compensation or additional time for any claim for which timely written notice of claim as required here in has not been made.

Except for disputes arising under the clauses entitled "Labor Standards and Labor Standards-Nonroutine Maintenance", herein, all disputes arising under or relating to this Contract, including any claims for damages for the alleged breach thereof which are not disposed of by agreement, shall be resolved under this clause.

The Contractor shall submit in writing to the Contracting Officer the details and supporting documentation of the claim within fourteen (14) calendar days of receipt of the Contracting Officer's acknowledgment of the notice of claim, unless the Contractor requests in writing within the fourteen (14) calendar days an extension of time for good cause shown. Good cause shown shall include time for the Contractor to prepare its claim. Upon receipt of a request for an extension of time the Contracting Officer may grant an extension of time for submittal of details and supporting documentation of not more than twenty-one (21) calendar days. Failure by the Contractor to furnish the details and supporting documentation or a request for an extension of time within the initial fourteen (14) calendar day period shall constitute a waiver of the claim.

In presenting the claim and supporting documentation, the Contractor shall specifically include, to the extent then possible, the following:

1. A narrative which includes:
  - a. A brief summary of the claim and the facts pertinent to the claim; and
  - b. The application of the provisions of the Contract to the claim under the basis it is made; and
  - c. Description of the relative responsibilities of each party giving rise to the claim; and
  - d. A description of the connection between the relative responsibilities of the parties resulting in damage under the claim.
2. Supporting documentation to the narrative including schedules, graphs, charts, photographs, and any other pertinent documents or information.

3. Quantitative analysis and presentation of requested additional compensation and/or the additional time including:
  - a. A summary of additional compensation and/or additional time requested; and
  - b. Calculations, sub-calculation, cost data and documents including proof of expenditures to support the claimed additional compensation and/or additional time.

The Contractor must show that it suffered damages and/or delays; that those conditions were actually a result of the acts, event or condition complained of; and that the Contract provides entitlement to relief to the Contractor for such acts, events, or conditions. No subcontractor claim will be considered or allowed unless the Contractor is injured, agrees the claim is valid, and has paid the subcontractor for the matters in dispute. The Contracting Officer reserves the right to make written request to the Contractor at any time for additional information which the Contractor may possess relative to the claim. The Contractor agrees to provide AHFC such additional information within thirty (30) calendar days of receipt of such a request. Failure to furnish such additional information may be regarded as a waiver of the claim.

Any claim submitted to the Contracting Officer MUST contain a certification from the Contractor stating that:

1. The claim is made in good faith;
2. The Contractor's supporting data is accurate and complete; and
3. The amount requested as a result of the controversy accurately reflects the amount for which the Contractor believes AHFC is liable.

Following submission of all required information to the Contracting Officer, a written decision will be issued. This written decision will be issued by the Contracting Officer no more than ninety (90) days after receipt of all information deemed necessary from the Contractor, the Contract Administrator, and other sources as determined appropriate by the Contracting Officer. The Contractor will be served a copy of the Contracting Officer's written decision. Before issuing the decision, the Contracting Officer will review the facts relating to the controversy and obtain necessary assistance from legal, fiscal, and other essential advisors. The decision will include:

1. A description of the controversy;
2. Reference to the pertinent Contract provisions; and
3. A statement of the reasons supporting the decision.

- C. AHFC'S Claims Procedures: If the Contract Administrator becomes aware of any act, occurrence or omission which may form the basis of a claim by AHFC that the Contractor has failed to comply with any requirement existing under this Contract, the Contract Administrator may submit a written notice to the Contractor identifying the general nature and basis of the claim at any time before final payment is made by AHFC.

This claims procedure does not in any way limit any other remedies available to AHFC under any other provision of this Contract or the law, including but not limited to enforcement of warranties.

If AHFC's claim is not disposed of by meetings between the Contractor and the Contract

Administrator which results in Contract within thirty (30) calendar days, provided additional time is not noticed in writing by the Contract Administrator, a formal written decision on the disposition of AHFC's claim shall be issued by the Contract Administrator. The Contract Administrator's decision is final and conclusive unless, within fourteen (14) calendar days of service of the Contract Administrator's decision, the Contractor delivers a written notice of claim to the Contracting Officer.

In presenting the Contractor claim, disputing the Contract Administrator's decision, to the Contracting Officer, the Contractor shall specifically include, to the extent then possible, the following:

1. A narrative which includes:
  - a. A brief summary of the claim and the facts pertinent to the claim; and
  - b. The application of the provisions of the Contract to the claim under the basis it is made; and
  - c. Description of the relative responsibilities of each party giving rise to the claim; and
  - d. A description of the connection between the relative responsibilities of the parties resulting in damage under the claim.
2. Supporting documentation to the narrative including schedules, graphs, charts, photographs, and any other pertinent documents or information.
3. Quantitative analysis and presentation of requested additional compensation and/or the additional time including:
  - a. A summary of additional compensation and/or additional time requested; and
  - b. Calculations, sub-calculation, cost data and documents including proof of expenditures to support the claimed additional compensation and/or additional time.

The Contracting Officer reserves the right to make written request to the Contractor at any time for additional information which the Contractor may possess relative to the claim. The Contractor agrees to provide AHFC such additional information within thirty (30) days of the request. Failure to furnish such additional information may be regarded as a waiver of the claim.

Any claim submitted to the Contracting Officer MUST contain a certification from the Contractor stating that:

1. The claim is made in good faith;
2. The Contractor's supporting data is accurate and complete; and
3. The amount requested as a result of the controversy accurately reflects the amount for which the Contractor believes AHFC is liable.

Following submission of all required information to the Contracting Officer, a written decision will be issued. This written decision will be issued by the Contracting Officer no more than ninety (90) days after AHFC's receipt of all information deemed necessary from the Contractor, Contract Administrator, and other sources as determined appropriate by the Contracting Officer. The Contractor will be served a copy of the Contracting Officer's written decision. Before issuing the decision, the Contracting Officer will review the facts relating to the

controversy and obtain necessary assistance from legal, fiscal, and other essential advisors. The decision will include:

1. A description of the controversy;
2. Reference to the pertinent Contract provisions; and
3. A statement of the reasons supporting the decision.

- D. Work Continuation and Payment. Unless otherwise agreed in writing, the Contractor shall carry on the work and maintain the schedule of work pending the resolution of any dispute.

The Contractor shall have the right to dispute the Contract Administrator's decisions described in this section under the dispute provisions of this Contract, except if the Contractor has failed to submit its claim within the time provided, or has failed to request and receive an extension of such time from AHFC, they shall have no such right to review.

In arriving at the amount due the Contractor under this section, there shall be deducted:

1. All previous payments made to the Contractor for the performance of work under the Contract prior to termination;
2. Any claim or set off which AHFC may have against the Contractor;
3. Any claim by the Contractor for work performed negligently, or in any manner inconsistent with the Contract requirements, which was not accepted by AHFC;
4. The agreed price for, or the proceeds of sale of, any materials, supplies, or other things acquired by the Contractor or sold pursuant to the provisions of this section and not otherwise recovered by or credited to AHFC; and
5. All partial payments made to the Contractor under the provisions of this section.

AHFC will, from time to time under such terms and conditions as it may prescribe, make partial payments on account against costs incurred by the Contractor in connection with the terminated portion of the Contract whenever in the opinion of the Contract Administrator the aggregate of such payments shall be within the amount to which the Contractor will be entitled hereunder, otherwise the Contractor shall not be entitled to receive further payments until final settlement is reached.

Where the work has been terminated by AHFC, this termination shall not affect or terminate any of the rights of AHFC against the Contractor or its surety then existing or which may thereafter accrue because of such termination. Any retention or payment of monies by AHFC due to the Contractor under the terms of the Contract shall not release the Contractor or its surety from liability.

Unless otherwise provided for in the specifications or the Contract, or by applicable statute, the Contractor, from the effective date of termination and for a period of three (3) years after final settlement under this Contract, shall preserve and make available to AHFC at all reasonable times at the office of the Contractor, all its books, records, documents, and other evidence bearing on the cost and expenses of the Contractor under this Contract and relating to the work terminated hereunder.

## **ARTICLE 12. TERMINATION FOR CONVENIENCE**

The performance of work under this Contract may be terminated by AHFC in accordance with this

section in whole or in part, whenever, for any reason AHFC, through its Contracting Officer or Contract Administrator, shall determine that such termination is in the best interest of AHFC. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying termination is for the convenience of AHFC, the extent to which performance of work under the Contract is terminated, and the date upon which such termination becomes effective.

After receipt of a Notice of Termination and except as otherwise directed by the Contract Administrator, the Contractor shall:

- A. Stop work under the Contract on the date and to the extent specified in the Notice of Termination;
- B. Place no further orders or subcontracts or provide no further services, except as may be necessary for completion of such portion of the work under the Contract as is not terminated;
- C. Terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination;
- D. With the approval or ratification of the Contract Administrator, to the extent they may require, settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, the cost of which would be reimbursable, in whole or in part, in accordance with the provisions of the Contract;
- E. Submit to the Contract Administrator a list, certified as to quantity and quality, of any or all items of termination inventory exclusive of items the disposition of which had been directed or authorized by the Contract Administrator;
- F. Transfer to the Contract Administrator the completed or partially completed plans, drawings, information, and other property which, if the Contract had been completed, would be required to be furnished to AHFC; and
- G. Take such action as may be necessary, or as the Contract Administrator may direct, for the protection and preservation of the property related to the Contract which is in the possession of the Contractor and in which AHFC has or may acquire any interest.

The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the amount of any item or reimbursable cost under this clause.

When AHFC orders termination of work under this Contract effective on a certain date, all completed units of work within each pay item as of that date will be paid for at the Contract unit price, if any, subject to the express limitations applying to cost reimbursement as outlined below. Payment for partially completed work will be made either at agreed prices or by time and materials methods as described in this Contract, subject to the express limitations applying to cost reimbursement as outlined below.

After receipt of a Notice of Termination, the Contractor shall submit to the Contract Administrator, its claim for additional damages or costs not covered above or elsewhere in this Contract. The intent of negotiating this claim would be an equitable settlement figure to be reached with the Contractor. In no event, however, will the following costs or damages be deemed reimbursable, and the Contractor expressly waives any right or entitlement to claim for such costs or damages:

- A. Loss of anticipated profits, including any claim for damages flowing from such loss of anticipated profits;
- B. Any profit on the completed portions of the Contract, if AHFC reasonably determines that the Contractor would have incurred a loss had the entire Contract been completed;
- C. Any costs associated with bid preparations;
- D. Any costs associated with general and administrative expenses (G&A), or any other indirect cost, as defined in 48 CFR 31.203(10-1-96), as amended, not expressly identified herein;
- E. Any legal fees incurred in conjunction with the Contractor's performance on the Contract including, but not limited to, legal fees incurred in conjunction with the preparation of any claim, incurred prior to the effective date of the termination for convenience; and
- F. Any costs associated in any way with the Contractor's preparation of its termination for convenience settlement claim including, but not limited to, legal fees, expert fees, accounting fees, copying fees, or any other direct or indirect cost associated with the preparation of the settlement claim.

The Contractor's termination claim shall be submitted promptly, but in no event later than ninety (90) days from the effective date of termination, unless one or more extensions in writing are granted by the Contract Administrator upon request of the Contractor made in writing within the ninety (90) day period. Upon failure of the Contractor to submit its termination claim within the time allowed, the Contract Administrator may determine, on the basis of information available to him, the amount, if any, due the Contractor by reason of the termination and will thereupon pay to the Contractor the amount so determined.

The Contractor and the Contract Administrator may agree upon whole or any part of the amount or amounts to be paid to the Contractor by reason of the total or partial termination of work pursuant to this section. The Contract will be amended accordingly, and the Contractor will be paid the agreed amount.

In the event of the failure of the Contractor and the Contract Administrator to agree in whole or in part, as provided herein, as to the amounts with respect to costs to be paid to the Contractor in connection with the termination of work, the Contract Administrator will determine, on the basis of information available to him, the amount, if any, due to the Contractor by reason of the termination and will pay the Contractor the amount determined as follows:

- A. All costs and expenses reimbursable in accordance with the Contract not previously paid to the Contractor for the performance of the work prior to the effective date of the Notice of Termination;
- B. So far as not included under Paragraph A. above, the cost of settling and paying claims arising out of the termination of work under subcontracts or orders which are properly chargeable to the terminated portions of the Contract. However, in no event shall the Contractor be entitled to legal fees or other costs associated with the pursuit or defense of any claims associated with work performed under such subcontracts.
- C. The reasonable costs of settlement with respect to the terminated portion of the Contract, to the extent that these costs have not been covered under the payment provisions of the

Contract.

## ARTICLE 13. ADDITIONAL REQUIREMENTS

### A. Additional Bases For Default:

1. AHFC may declare the Contractor to be in default in any situation where it determines that the Contractor has breached any provision of this Contract, including but not limited to any of the following reasons:
  - a. Failure of the Contractor to begin work within the time specified in the Contract or as otherwise specified by AHFC;
  - b. Failure of the Contractor to perform the work with sufficient labor, equipment, or material to insure the timely completion of the work in accordance with the Contract's requirements;
  - c. Unsatisfactory performance of the work;
  - d. Failure or refusal of the Contractor to remove material, or remove and replace any work rejected as defective or unsatisfactory;
  - e. Discontinuance of the work without approval by AHFC;
  - f. Failure of the Contractor to resume work, which has been discontinued, within a reasonable time after notice by AHFC to do so;
  - g. Insolvency or bankruptcy of the Contractor;
  - h. Any assignment of this Contract by the Contractor for the benefit of creditors;
  - i. Failure or refusal of the Contractor to, within ten (10) days of payment by AHFC, make payments or show cause why payment should not be made, of any amounts due by the Contractor for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered; or
  - j. Failure by the Contractor to protect, repair, or pay for any damages or injuries to persons or property.
  - k. Failure by Contractor to remove from the job site any personnel of the Contractor or its subcontractors whom the Contract Administrator determines to be incompetent, dishonest, careless, inexperienced in work he/she is responsible for performing, negligent or uncooperative.
2. AHFC may declare default and terminate the Contract, in whole or in part, for any reason set forth above, or any other reason permitted under this Contract or by law, by providing written notice of such to the Contractor.
3. If the Contract is terminated for default, AHFC may, in addition to any other rights and remedies provided in this Contract, require the Contractor to transfer title and deliver immediately, in a manner required by AHFC, such partially completed work, including where applicable, reports, working papers and other documents that the Contractor, or its agents or subcontractors, have produced or acquired in its performance of the Contract. Payment for partially completed work shall be made in an amount deemed reasonable and appropriate by AHFC. AHFC may withhold from such payments amounts deemed necessary by AHFC to offset against additional costs or loss reasonably anticipated to occur.
4. The rights and remedies set forth in this article are in addition to any and all other rights and remedies available to AHFC under this Contract and law.

5. AHFC's failure to exercise any right or remedy provided under the Contract shall not constitute a waiver of AHFC's rights and remedies in the event of any breach of Contract, default or subsequent event of breach of Contract or default. Consent or notice by AHFC for one event may not be construed as consent or notice in the future.

#### **ARTICLE 14. SUBCONTRACTS AND ASSIGNMENTS**

- A. In addition to the requirements set forth in the General Conditions for Non-Construction Contracts (Section I - HUD Form 5370-C), any assignment consented to by AHFC shall be evidenced by a written assignment agreement executed by the Contractor and its assignee in which the assignee expressly agrees to be legally bound by all of the terms and conditions of this Contract and to assume the duties, obligations, and responsibilities being assigned. AHFC retains the sole and absolute right to withhold its consent for any requested assignment for any reason whatsoever. Any assignment entered into without AHFC's prior written consent shall be void.
- B. The Contractor shall not enter into any subcontract with any person or entity to perform all or any part of the work required under this Contract without first receiving the prior written consent of AHFC. AHFC retains the sole and absolute right to withhold its consent for approval of any proposed subcontractor for any reason deemed by AHFC to be in its best interest.

#### **ARTICLE 15. JURISDICTION AND VENUE**

This Contract is governed by the laws of the State of Alaska. Any judicial action between the Contractor and AHFC arising out of this Contract shall be under the jurisdiction of and heard by the District or Superior Court, Third Judicial District at Anchorage, State of Alaska. Disputes will be governed by any applicable provisions of AHFC regulations, and the Disputes section, Article 11, of this Supplement to General Conditions of this Contract.
