

Alaska Housing
FINANCE CORPORATION

Veterans Program

Alaska Housing is proud to offer loan programs in honor of our veterans. Qualified veterans may purchase an existing owner-occupied single-family residence and, with certain restrictions, a duplex, triplex or fourplex.

How it works:

- For active duty or retired personnel
- Must apply within 25 years of his/her discharge from “active-duty service.” Active duty personnel must have completed their initial military obligation.
- If retired, discharged or released from active duty, separation must have been under conditions other than dishonorable.

Learn more from your lender about loan options that may be right for you and scan the QR code or visit ahfc.us/buy for Alaska Housing loan options and resources.
