ADDENDUM NO. 2

QUESTIONS RECEIVED BY AHFC FOR CLARIFICATION:

Question 1: Since bids and awards are made by individual property, is the \$5,000–\$25,000 Estimated Amount of Proposed Contract an estimate rather than a maximum cap? If the total value of our bid exceeds \$25,000, will our proposal still be considered responsive and eligible for award?

Answer 1: Based on our independent estimate, we don't expect to exceed \$25,000 per location. If it does go over \$25,000, yes, we will still consider it eligible for the award.

Question 2: During my site review at this location, I did not see any trees marked for 124 N. Bliss Street removal. Could you please confirm if this property is still in scope? If so, please specify which trees need to be removed so we can accurately price the work.

Answer 2: The trees are right on the property line between 124 N. Bliss St. and the open vacant lot. See photos attached.
