WOM 2025—April 1, 2025 Update List

WOM 2025 includes sections and forms from previous versions of the WOM, which are still current.

Only sections and forms that have been revised for 2025 are noted in the list below. The list excludes minor revisions to reformat content, to update terminology, and to correct grammatical and numeric sequencing errors.

- * Section page numbers/form numbers appear in the first column.
- * The second column indicates revised and/or new content.

Title Page	PY updated
In sections a	and forms revised for PY25, Department of Health (DOH) replaces Department of Health and
Social Servic	es (DHSS). This change will be made to the rest of the WOM in future updates.

There are two ways to download the current WOM from AHFC's website.

https://www.ahfc.us/efficiency/weatherization/weatherization-operations-manual

1. <u>To obtain one file (pdf format) that includes all pages of the WOM</u>, copy and paste the URL above into a browser. Then, click on the *Weatherization Operations Manual 2025 (Complete)* link.

Note: <u>To print from this all-inclusive pdf file</u>, select page ranges for each section/form and print oneor two-sided accordingly, or print a complete one-sided original and make one- or two-sided copies from the hard copy.

2. <u>To print or save sections and forms individually</u>, click on the individual file links on the same web page. Some forms are in file formats for editing or making calculations.
