

Older Alaskans Housing Needs Survey

Alaska Housing Finance Corporation is gathering information about the resources, supports and investments needed for affordable and accessible housing options for older Alaskans. Results from this study will be available in Summer 2026.

This survey is for people who currently live in Alaska and are 55 years or older. Friends, family and other people can help participants take the survey.

Survey participants' answers will be kept anonymous and individual responses will not be shared publicly. **Survey closes April 1, 2026.**
