

2026 FAFSA Guidance Class

It's time for the 2026-2027 FAFSA Application! This online class will assist students & families in completing the all-important Application for Federal Student Aid (FAFSA) for college. *This class and will require a Mac, PC, or Chromebook computer and an Internet capacity of at least 600kbps.*

Who: AHFC rental assistance participants & applicants

When: April 21st, 2026 from 6pm – 8pm

To Register: <https://www.ahfc.us/tenants/jumpstart/class-calendar>
or use the QR code

You will be completing your own form online as we walk you through step by step:

- Prospective college students (including high school) & parents are encouraged to be present during class. Only the student will need to register. Non-traditional students are also welcome.
- Prior to class you will need to create an account (FSA ID) at: www.StudentAid.gov/fsa-id/create-account
- Must have your Social Security number, mobile phone number, and email address. During class, parents and students will need to enter information from your 2024 federal tax return, including all income sources, so have that information ready.
- Once you have registered for the class, we will email a worksheet and Zoom invite to you to the class.
