

# Older Alaskans Housing Needs Survey

## Calling all Alaskans age 55 and older: Experience matters, share yours.

Alaska Housing Finance Corporation is surveying residents with the goal of better understanding the housing needs of Alaskans as they age. The survey gathers information about resources, supports and investments needed for affordable and accessible housing options.

**This is an opportunity to ensure your voice is heard.**

### Details:

- The survey takes about 10-15 minutes to finish
- Friends, family or others can help you complete the survey
- Survey answers are anonymous and individual answers will not be shared publicly

**Survey closes June 30, 2026.**

Thank you for your help shaping the future of Alaska's housing.
